

ALFONSO RICCIO

ACADEMIC BACKGROUND

Vita-Salute San Raffaele University – International Medical Doctor Program (M.D.) – Master's Degree in Medicine and Surgery, 110/110 summa cum laude and with honorable mentions Sept 2015 - July 2021
Recognized by World Health Organization, British General Medical Council, US Educational Commission for Foreign Medical Graduates (ECFMG®) Milan, Italy
Top-ranked in Europe for research in urology, cardiovascular diseases and cardiac surgery, HIV/AIDS, rare diseases, pre-clinical and Human Biological sciences.
GPA: 28.64 /30

Liceo classico "Torquato Tasso" - Italian High School Diploma Sept 2010 - Jul 2015
Humanistic studies with a focus on Greek, Latin, Literature, History and Philosophy
Activities: Chemistry and Physics laboratory, History (WW1) research at Provincial Archive Salerno, Italy
Final Grade: 100/100

EXTRACURRICULAR EXPERIENCE

IRCCS Policlinico San Donato GSD - Thesis Project in Arrhythmology and Electrophysiology October 2020 - June 2021
Title: Long term outcome following epicardial catheter ablation of the Arrhythmogenic substrate in High-risk Brugada patients. Milan, Italy

Supervisor: Professor Carlo Pappone; **Co-supervisor:** Professor Giuseppe Ciconte

Performed the assessment of the long-term outcomes for Brugada Syndrome (BrS) patients receiving epicardial radiofrequency catheter ablation in the largest registry worldwide (885 patients).

Vita-Salute San Raffaele University, Lecturer at UniSR Journal Club March 2021
• Performed a lecture on Brugada Syndrome to more than 50 students from all courses of UniSR medical school titled: "Brugada Syndrome: State of the Art". Milan, Italy
• Attended a variety of different lectures held by other colleagues and professors on different innovative topics of medicine.

IRCCS Policlinico San Donato GSD - Internship in Cardiology - Arrhythmology and Electrophysiology Division October 2020 - June 2021
Worked as a Resident Assistant in the Department of Arrhythmology and Electrophysiology and attended Professor Carlo Pappone's Cardiology Course: Milan, Italy

- Participated in the morning rounds, physicians' clinical decision making and treatment evaluations.
- Attended several surgical procedures including Circumferential Pulmonary Vein Radiofrequency ablation in Atrial Fibrillation, Ventricular Tachycardia ablation, Wolff-Parkinson White accessory pathway ablation, Arrhythmogenic substrate ablation in Brugada Syndrome.
- Assisted in electrophysiological stimulation and mapping of the Right ventricle in the ablation of the Arrhythmogenic substrate in Brugada Syndrome working in close contact with Biomedical Engineers and Physicians in the Electrophysiological Lab.

ALFONSO RICCIO

Vita-Salute San Raffaele Hospital - Licensing Internship in Community Medicine

*Jan 2021
Milan, Italy*

- Attended multiple online courses concerning the everyday duties and work of a community medicine physician simulating it through several interactive clinical cases.
- Concluded the course with the project: "NOAC prescription by Community Medicine physicians in patients affected by non-valvular Atrial Fibrillation".

Vita-Salute San Raffaele Hospital - Licensing Internship in Internal Medicine

*November 2020
Milan, Italy*

Attended multiple online interactive courses concerning general internal medicine topics addressed through relevant clinical cases.

Presidio Ospedaliero "Martiri di Villa Malta", Department of Cardiology - ICU Division - Tailored activities

*September 2020
Sarno, Italy*

Worked as a Resident Assistant in the Department of Cardiology - ICU Division.

Vita-Salute San Raffaele Hospital - Licensing Internship in Surgery

*July 2020
Milan, Italy*

Attended multiple online interactive courses showing multiple surgical interventions across different surgical fields.

Vita-Salute San Raffaele Hospital, Department of Obstetrics and Gynaecology - Clinical Rotation

*Jan 2020 - Feb 2020
Milan, Italy*

Worked as a Resident Assistant in the Department of Obstetrics and Gynaecology.

Vita-Salute San Raffaele Hospital, Department of Pediatrics - Clinical Rotation

*Jan 2020
Milan, Italy*

Worked as a Resident Assistant in the Department of Pediatrics.

Vita-Salute San Raffaele Hospital, Department of Arrhythmology and Electrophysiology – Tailored activities

*June 2019 - Jan 2020
Milan, Italy*

Worked as a Resident Assistant in the Department of Arrhythmology and Electrophysiology:

- Attended several surgical procedures including Circumferential Pulmonary Vein Radiofrequency ablation in Atrial Fibrillation, Ventricular Tachycardia ablation and Myocardial biopsies.
- Managed and updated the database of Atrial fibrillation, Dilated cardiomyopathies and Laminopathies of the Arrhythmology ward.

Vita-Salute San Raffaele Hospital, Department of Transplant Medicine – Clinical rotations

*May 2019
Milan, Italy*

Worked as a Resident Assistant in the Department of Transplant Medicine.

Vita-Salute San Raffaele Hospital, Department of Cardiac Surgery – Surgical rotations

*October 2018
Milan, Italy*

Worked as a Resident Assistant in the Department of Cardiac Surgery:

- Attended several surgical procedures including Coronary Artery Bypass Surgery, Surgical reconstruction of cardiac valves as well as endoscopic reconstruction and/or substitution of cardiac valves.

ALFONSO RICCIO

Volunteering Activity at Center for Orthopedics and Rehabilitation - Disabled Children Campaign
Worked as a volunteer at the Center for Orthopedics and Rehabilitation:

*August 2019
Ho Chi Minh,
Vietnam*

- Assisted in the rehabilitation process of heavily injured patients by performing physiotherapy maneuvers.
- Assisted in several orthopedic surgery interventions as Hip substitution, Femur reconstruction and more.

Vita-Salute San Raffaele Hospital, Department of Endocrinology – Clinical rotations
Worked as a Resident Assistant in the Department of Endocrinology.

*May 2018
Milan, Italy*

Vita-Salute San Raffaele Hospital, Department of Clinical Cardiology – Clinical rotations
Worked as a Resident Assistant in the clinical division of the Department of Cardiology

*January 2018
Milan, Italy*

- Attended several angiographies and coronarographies as a spectator.

Cadaver Lab, University of Parma, Department of Pathology

*February 2017
Parma, Italy*

- Participated as a visiting student in cadavers dissection lectures.

SPORTS & INTERESTS

Sport Achievements:

- Swimmer at A.S.D. Campania Sport Siano *2007 – 2015*
- K-1 amateur at Milano Thunder, Milano *2017-2019*
- Boxing amateur at Heracles Gymnasium, Milano *2020 - today*

Interests

- Traveller, visited several countries in Europe, America and Asia
- Politics
- History, art and philosophy passionate

LANGUAGES & OTHER SKILLS

Languages spoken: Italian (native speaker), English (fluent: Cambridge assessment C1 level).

ECDL Core Level Program: attended the course and obtained the certificate.
