

## CURRENT POSITION

- Medical doctor specialized in cardiology

## PROFESSIONAL EXPERIENCE

- Freelance cardiologist at ASL VCO (Verbano-Cusio-Ossola), from March 2025 to June 2025
- Resident physician in cardiovascular diseases, from January 2021 to April 2024

*Policlinico di Milano, Milano (IT); Policlinico San Donato, San Donato Milanese, MI (IT)*

Clinical rotations in the cardiology ward, the coronary ICU, the post-op cardiac surgery ICU, the interventional cardiology unit and the electrophysiology unit of Policlinico di Milano hospital, including night shifts. During the same period i also worked in the cardiology outpatient clinic where i gained experience in transthoracic echocardiography, trans-esophageal echocardiography, stress echocardiography, cardiopulmonary exercise testing and pediatric cardiology services. At the same time i had the opportunity to spend three months in the multimodal cardiac imaging unit of Policlinico San Donato hospital, where i improved my knowledge in the field of cardiac MRI and cardiac CT.

- Fellow in advanced heart failure and pulmonary hypertension, from may 2024 to december 2024

*Hôpital Erasme, Anderlecht, Bruxelles (BE)*

Clinical experience in the outpatient clinic of heart failure, pulmonary hypertension, heart transplant patients and DMCS (LVAD) patients. I also took part in multidisciplinary discussions regarding complex inpatients with overlapping PH phenotypes and advanced heart failure patients. At the same time i performed right heart catheterization procedures, including RHC with additional tests such as NO, fluid challenge, exercise RHC, and i took part in balloon pulmonary angioplasty procedures in CTEPH patients.
